Hemlock killed by woolly adelgid
Photo by Donna Shearer

Don't let this happen to your Hemlocks!

You can save them if you take action soon

Attend a free Hemlock Help Clinic presented by the BENTON MACKAYE TRAIL ASSOCIATION in conjunction with SAVE GEORGIA'S HEMLOCKS for information on:

- **What's threatening our Hemlocks**
- **How you can treat your own trees for the lowest possible cost**
- **Qualified local professionals who can help you for reasonable rates**

Saturday, February 6

Sign in 1:30 PM, Program 2-4 PM

Facilitator Training 4-6 PM

Tellico Plains Community Center

On Bank Street across from the BP station and next to the Tellicafe
